

Source Documents

While Tom and Sean have carefully curated 151 articles and videos, those pieces draw on nearly 250 sources that range from popular articles to academically published pieces, conference keynote addresses, experienced video bloggers, books, as well as an increasing number of articles published in prestigious mainstream publications such as *The New York Times*, *Washington Post*, *Huffpost*, *Wired*, *Popular Mechanics*, *The Atlantic*, and others. Since *The New York Times* broke the story in 2017 about the US Government's UFO research program (AATIP), the doors have swung open for anyone to write about these topics as you can see in this extensive Source Documents list for www.whatsupwithufos.com.
